LATE FEES WILL BE ASSESSED

You are given a ten-hour time slot for care. That is 1 hour travel time before work and 1 hour travel time after work. That will leave eight (8) hours for childcare. example: If you drop off at 8am your pickup time is 4pm but we will give you until 5pm.

After that you are late.

We will not assess a late fee until after 6:30 pm. The late fee is \$1 a minute per child and must be paid when you pick up your child. There will be no exceptions.

In the case of an emergency, you must call to explain the situation. It will be getting dark earlier, so for the safety of the children and staff we ask that you be on time.

Does daylight savings mean it get darker earlier?
